In the desolate future, blood sport is the pastime of a broken world.
Bound by no law but its own, the **Death Carnival** beckons.
Those that rise to the call are destined for glory, in victory or death.

TOP-DOWN ARCADE INSANITY

ADRENALINE-INFUSED ADDICTIVE GAMEPLAY

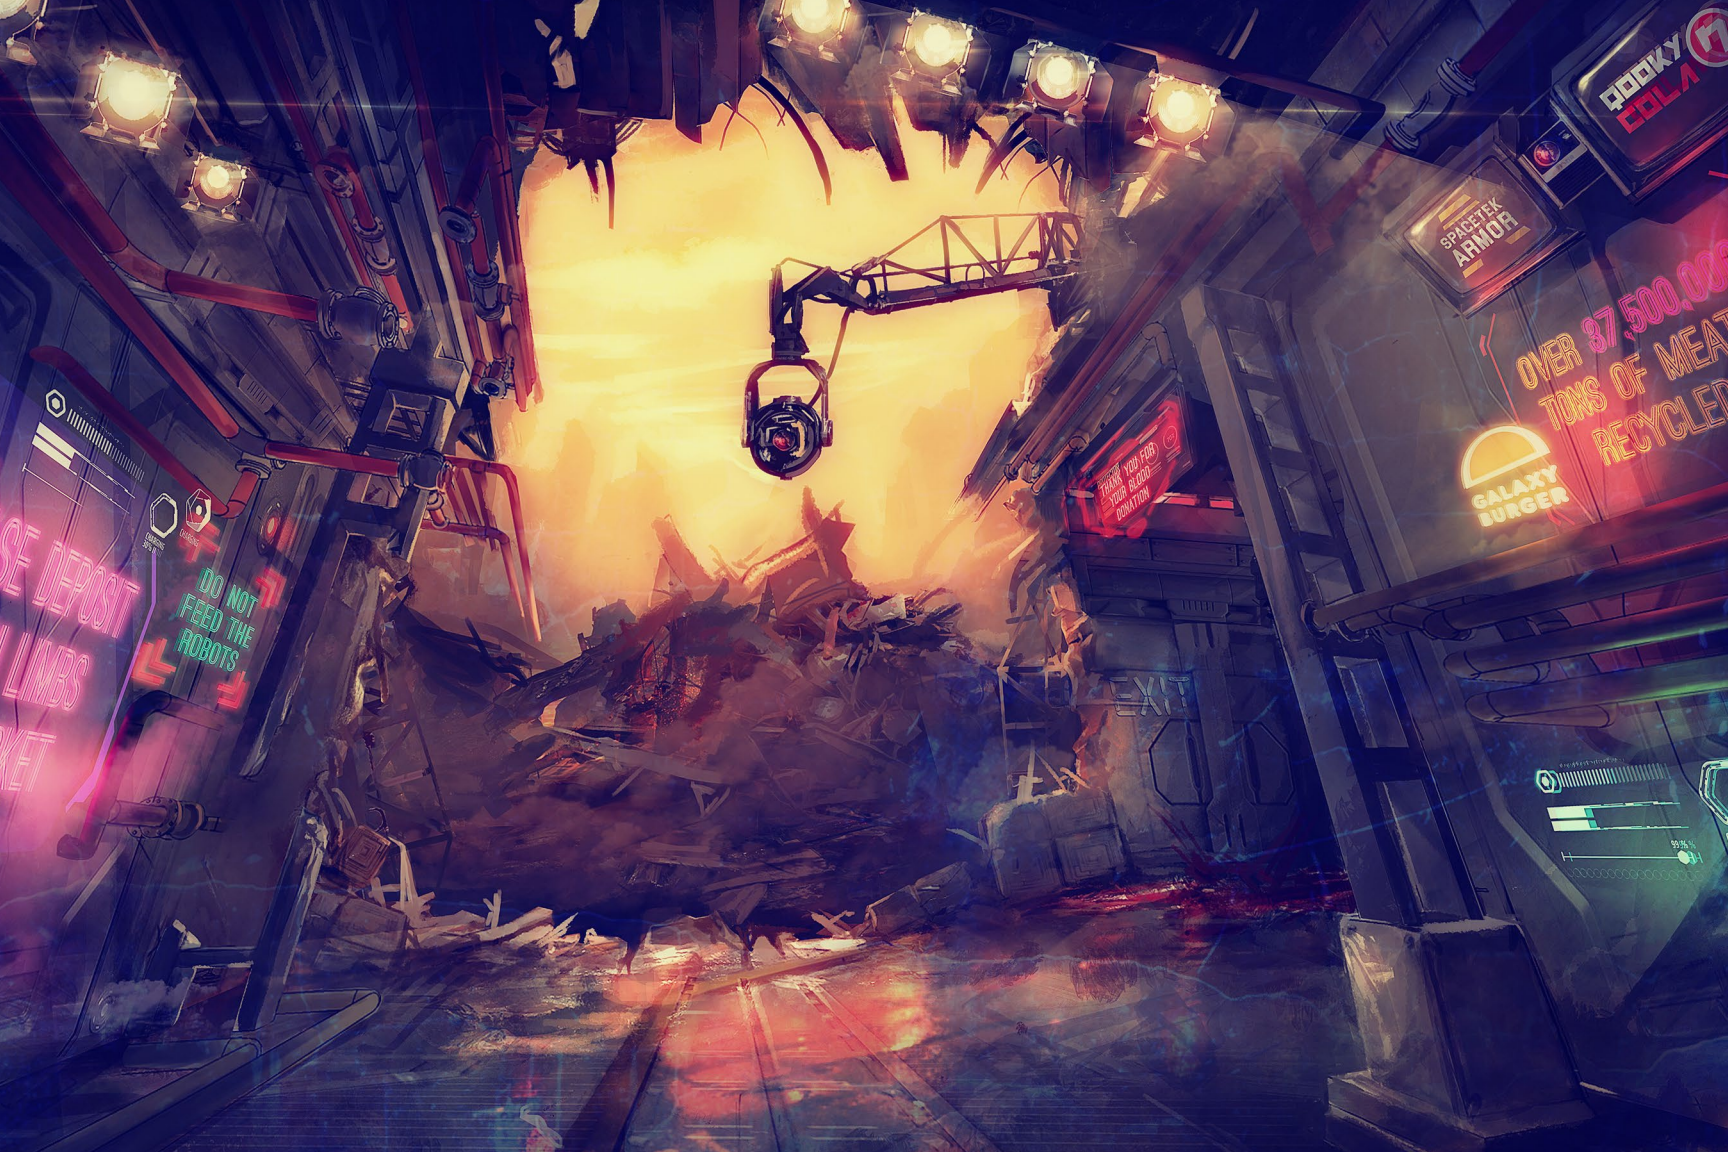

- Intuitive arcade-style controls. Easy to pick up, difficult to master.
- Play solo story campaign, do speedruns, 4 players couch/online co-op, or up to 8 players in PvP.
- 20 playable characters, each with their own sub-stories and exclusive weapon sets.
- Giant multi-phased boss fights and plenty of game modes for infinite replay.
- Weapon Socket System, Cross-platform Leaderboards, Achievements, Secrets, Level Editor, and more.

40+ CAMPAIGN LEVELS ACROSS MULTIPLE WORLDS

BATTLE WITH 4 PLAYERS ONLINE / COUCH CO-OP

- Fight across planets of Ruined Earth, Magma, Ice, Desert, Trees, and more.
- Story mode with more 40+ handcrafted levels and giant boss fights.
- Use the Weapon Socket System to modify your arsenal into your ideal over-powered configurations.
- Upgrade with unique Ammo and Weapon Mods for your character through boss encounters, secrets, and achievements.

HIGH OCTANE **PVP** WITH MULTIPLE GAME MODES

- Controls and optimizations tuned for high-speed PvP gameplay.
- Classic Modes, such as Free-for-All and Team Deathmatch.
- Battle Fortress: Build defensive and offensive structures to help take over the other team's base.
- Built-in voice chat support and taunts.
- Join or Create a squad to compete in team tournaments and squad rankings.
- Cross-platform support for all multiplayer game modes.

LEVEL EDITOR + STREAMER LIVE MODES

INTRODUCING: CARNAGE MANAGEMENT SYSTEM

- **C.M.S. Carnage Management System** is an adaptive intelligent system that connects and auto balances the gameplay for Level Editor, Streamer Modes, Campaign Levels, Procedural Levels and PvP.
- Audience on Twitch and Mixer can affect and edit levels in real-time, without additional software, and compete as teams to see who can do the most harm or good.
- Easy-to-use Mario Maker-style level editor, creating entire levels in minutes with hundreds of objects ready to use and community level sharing.

INFINITE REPLAY BOUNDLESS POSSIBILITIES

EXPANDABLE LEVELS, CHARACTERS, EDITOR & MORE

- After story mode, enjoy endless replay value with procedurally generated levels.
- Daily and Weekly special challenge levels with unique loot.
- Win additional character cosmetics and weapon socket modules through battles and achievements.
- Visit your favorite streamer to cause havoc or save the day, and gain exclusive loot for yourself.
- Battle against strangers online, or invite them for a boss-raid challenge.

WELCOME TO THE CARNAGE.
